

# COMMUNITY HEALTH WORKERS

Have you received a health diagnosis such as diabetes or asthma and are unsure what to do to care for yourself? Do you wonder what vaccines you might need to stay healthy? Do you struggle to have enough food or help to find a place to live? These are some things that a Community Health Worker is trained to help with. A CHW is trained to listen to what you need and to work with you to find what resources in our community are available to help you be healthy and whole. If you have a need, please reach out and talk to one of our Community Health Workers to see if they can assist you. You do not need to be a patient at Smiles or need dental help to get help from a Community Health Worker. Call Joyce or Bruce for assistance today!

Joyce Jordy                      or                      Bruce Leonard  
(423)322-0567                      (423)260-2504

## Donate Today

Smiles, Inc. is a 501c3 non-profit organization that is dedicated to getting people out of pain and improving oral health for low-income citizens.

We rely on donations, grants, and volunteers to provide these services.

If you are interested in volunteering, doing a fundraiser for Smiles, or donating please call us today!

Monetary donations may be made at the old South Pittsburg National Guard Amory (where we are located), by mail or by going to any Towers Community Bank and making a deposit into Smiles, Inc. account.

**Thank you for your support!**
